

COMING UP THIS NOVEMBER

We're Thankful!

We are thankful to FINALLY have two effective ways to treat the Submentum with SculpSure and Ultherapy!

SculpSure is now FDA-cleared to reduce fat under the chin. We're proud to be the first practice in the Roseville area to offer this service.

For the month of November treat yourself to our promotional pricing of

\$1,500 for two treatments*
(Valued at \$2,000)

Ultherapy is FDA-cleared to lift and tighten the skin.

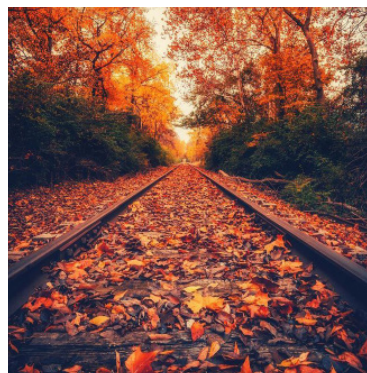

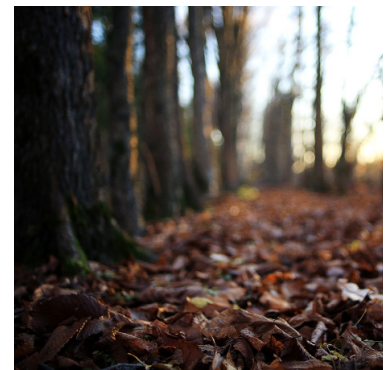

* two treatments recommended for optimal results
