PAYMENT POLICY

_____ Initials When you come to your first appointment and all subsequent appointments at Associates In Women's Health Care, **please be sure to have your insurance card AND your co-payment with you**. If you do not have *both of these items*, your appointment will be rescheduled. While we make every attempt to assist you in fulfilling the requirements of your specific insurance plan, it is ultimately your responsibility to know what provisions, restrictions, and requirements that are included or excluded in your specific health insurance policy.

If you have a deductible, as some HMO and most PPO plans now have, your insurance company will be billed on your behalf. Your insurance company will advise us what your financial responsibility is based on your deductible information. We will send you a statement for that balance which is due and payable upon receipt. You MUST pay your co-pay at the time of your visit. For your convenience, we do accept MasterCard and VISA for both co-pays and payments on any outstanding balances for services rendered. Associates In Women's Health Care does not extend credit and therefore prompt payment on all outstanding balances is expected.

Surgery and Maternity Patients: Your benefits and eligibility will be verified by Associates In Women's Health Care staff. At that time we will inquire about your deductible and the amount, if any. You will be expected to pay your financial responsibility for those prior to your surgery date or delivery date as Associates In Women's Health Care does not extend credit.

VERY IMPORTANT: If at any time your insurance carrier or coverage changes in any way, it is your responsibility to notify Associates In Women's Health Care IMMEDIATELY.

_____ Initials I agree that payment in full is my ultimate responsibility despite insurance coverage or determination. Our billing office will pursue every effort to bill your insurance and collect for your services. I agree to be responsible for the portion that my insurance carrier deems my responsibility.

_____ Initials Medicare will only pay for services it deems "reasonable and necessary" under Medicare law. If Medicare decides that a particular service is "not reasonable and necessary" under its program standards, Medicare will not pay for the services. I understand that I will be responsible for the charges incurred.

_____ Initials **TELEPHONE CONSUMER PROTECTION ACT (TCPA):**
I agree that the facility, Associates In Women's Health Care or any other collection or servicing agency or agencies retained by the facility (together referred to hereafter as "collectors") to collect any money that I owe to the facility may contact me by telephone or text message at any number given by me or otherwise associated with my account, including but not limited to, cellular/wireless telephone numbers which may result in my incurring fees for the call or text message. I understand, acknowledge and agree that the collectors may contact me by automatic dialing devices and through pre-recorded messages, artificial voice messages or voice mail messages. I further agree that the collectors may contact me using e-mail at any e-mail address I provide to the facility or otherwise associated with my account.

_____ Initials **I agree to provide a valid referral/authorization should my insurance company so require.**

_____ Initials I authorize the release of medical information necessary to process insurance claims and I authorize Associates In Women's Health Care OB/GYN to receive payment for services rendered from my insurance company.
